Utbyte med Ukraina på Väddö tor 13 – lör 15 juni

Du är antagen till ULv inledande ungdomsutbyte med Ukraina torsdag 13 – lördag 15 juni. Besked om antagning (eller ej) till den centrala överlevnadskursen på Väddö lördag 15 – torsdag 20 juni, som också ingår i utbytet med Ukraina, kommer direkt till dig från kursarrangören (inte via ULv kursledning eller Lv-förbundet). Meddela snarast om du skulle få förhinder via e-post till: ulv@forsvarsutbildarna.se

Stomprogram, logi och mat m.m. enligt bifogad order (på engelska). Inryckningsresa till kursgården Lv-byn på Väddö sker under torsdag 13/6 genom din egen försorg med SL buss **636** som avgår från *Norrtälje busstation* kl **1218** och ankommer kl 1300 till hållplats *Rangarnö* (vid infarten till Väddö skjutfält, ca 2 km från Lv-byn). Planen är att du blir hämtad vid *Rangarnö* av sg Valström med minibuss, men samma fordon används först för hämtning av ukrainare vid Arlanda flygplats. Var därför beredd på en promenad från Rangarnö till Lv-byn om flyget från Ukraina, och därmed även minibussen, skulle bli försenade.

Hemresa sker under torsdag 20/6 enligt anvisningar från ledningen för överlevnadskursen. Alternativt, om du inte blir antagen till kursen, med SL under lördag eftermiddag 15/6.

Medför utrustning enligt anvisningar för överlevnadskursen. Alternativt samma som till en helgövning med ULv. Därutöver civila kläder med ombyte, badbyxor, heltäckande kläder och skor för fysisk träning utomhus, samt gärna månadskort (motsv.) för resor med SL. Logi under det inledande utbytet tor 13 – lör 15 juni är i kursgården Lv-byn där sängkläder tillhandahålls.

Välkommen!

Swedish Anti-Aircraft Voluntary Training Association

(Luftvärnsförbundet)

Program for the visit of students from Ivan Bohun Military High School

General

This is a first activity between the Ivan Bohun Military High School and the Swedish Anti-Aircraft Voluntary Training Association.

The visit is planned to take place from 13th June - 24th June 2019.

The visit from the Ivan Bohun Military High School can be divided into three phases; the Social Phase, the Training Phase and the Sporting Phase.

Phases of the visit

The Social Phase will be from 13th – 14th June.

The Training Phase, including SERE A training course, will be from 15th - 20th June.

The Sporting Phase will be from 21st – 24th June. The Sporting Phase will only include students and teachers from the Ivan Bohun Military High School.

Participation

The program is planned for five Ukrainian students and two teachers from the Ivan Bohun Military High School as well as five students from the Swedish Anti-Aircraft Voluntary Training Association including 1-2 instructors.

During the SERE A training course, conducted between 15th -20th June, will additional students from the Swedish Anti-Aircraft Voluntary Training Association and other volunteer organizations participate.

Lodging

Students and teachers from the Ivan Bohun Military High School will mainly be staying in Lvbyn (www.vaddokursgard.se) during the social and training phases. Students in barracks and teachers in cabins.

Students from the Swedish Anti-Aircraft Voluntary Training Association and other volunteer organizations will also be staying in Lvbyn during the visit and training. Students in barracks. During the Training Phase will some lodging be during survival field conditions for the students.

During the Sporting Phase will students and teachers from the Ivan Bohun Military High School stay in a cabin in the Karlshamn Archipelago.

Food

Breakfast, lunch and dinner during the Social and Training Phases will mainly be served in the dining hall at Lvbyn. During the Training Phase will some food and meals be prepared and eaten during survival field conditions for the students.

During the Sporting Phase will breakfast, lunch and dinner be served in the cabin kitchen in Karlshamn.

Social Activities

There will be a visit to Stockholm with a social and cultural program.

There will be a visit to the nearby town Norrtälje with museum visit and cultural event.

There will be some social events for students after dinner time.

Transports

Students and teachers from the Ivan Bohun Military High School will be flying from Kyiv (ETD 09:30) to Stockholm (Arlanda airport) (ETA 11:00) on the 13th June with Ukrainian Airlines.

Transport between Arlanda airport and Lvbyn will be conducted with mini bus.

Transport to Stockholm and back to Lvbyn will be conducted with mini bus and regular bus.

Transport between Lvbyn and Karlshamn on the 20th June will be conducted with mini bus.

Students and teachers from the Ivan Bohun Military High School will be flying from Copenhagen (Kastrup airport - Denmark) (ETD 13:50) to Kyiv (ETA 17:10) on the 24th June.

Transport between Karlshamn and Copenhagen (Kastrup airport) will be conducted with mini bus.

Equipment

Students from the Ivan Bohun Military High School shall bring the following equipment:

- Combat uniform
- Combat boots
- Warm sweater (Woolly Pully-style)
- Long Johns
- Rain suit
- Working gloves
- Field cap
- Under wear
- Towel
- Swimming clothes
- Civilian clothes
- Sports clothes
- Paper and Pens

Students from the Swedish Anti-Aircraft Voluntary Training Association brings equipment according to the "Welcome-letter" from the SERE A Course Director.

Responsible instructors

- JH – Johan Huovinen
- JV – Johan Valström
- FS – Filip Scheynius
- RW – Robert Winton
