

Swedish Anti-Aircraft Voluntary Training Association

(Luftvärnsförbundet)

Program for the visit of students from Ivan Bohun Military High School

General

This is a second activity between the Ivan Bohun Military High School and the Swedish Anti-Aircraft Voluntary Training Association.

The visit is planned to take place from 22nd June - 29th June 2023.

The visit from the Ivan Bohun Military High School can be divided into two phases; the Social Phase and a Training Phase.

Phases of the visit

The Social Phase will be from 22nd – 26th June.

The Training Phase will be from 27th - 29th June.

Participation

The program is planned for five Ukrainian students and two teachers from the Ivan Bohun Military High School as well as five students from the Swedish Anti-Aircraft Voluntary Training Association including 1-2 instructors.

Lodging

Students and teachers from the Ivan Bohun Military High School will be staying in Lv-byn (www.vaddokursgard.se) during the social and training phases. Students in barracks and teachers in cabins.

Students from the Swedish Anti-Aircraft Voluntary Training Association and other volunteer organizations will also be staying in Lv-byn during the visit and training. Students in barracks.

Food

Breakfast, lunch and dinner during the Social and Training Phases will initially be prepared by students in Lv-byn. From Monday 26th June will meals be served in Lv-byn in the Dining Hall.

Social Activities

There will be a ferry trip in the Åland Archipelago.

There will be a visit to the nearby town Norrtälje with museum visit and cultural event.

There will be a visit to Stockholm with a social and cultural program.

There will be some social events for students after dinner time.

Transports

Students and teachers from the Ivan Bohun Military High School will be flying from Warsaw (ETD 12:55) to Stockholm (Skavsta airport) (ETA 14:40) on the 22nd June with Wizz Air.

Transport between Stockholm/Skavsta airport and Lv-byn will be conducted with mini bus.

Transport to Stockholm and back to Lv-byn will be conducted with mini bus and regular bus.

Transport between Lv-byn and Stockholm/Skavsta airport will be conducted with mini bus.

Students and teachers from the Ivan Bohun Military High School will be flying from Stockholm (Skavsta airport) (ETD 15:15) to Warsaw (ETA 16:50) on the 29th June.

For swedes: ULv deltagare svarar själva för sina resor till/från Vaddö kursgård (Lv-byn).

Förslagsvis via hållplats "Rangarnö" med SL bussar, se tidtabeller på: <https://sl.se/>

Kontakta kursch/stf om eventuell möjlighet till hämtning vid Rangarnö. Alternativt promenad ca 3 km, se kartsbild på: http://www.luftvarn.se/ulv/vaddo_skjutfalt_map.gif
